Business Profile:

The foundation of English Language Academy at Manik Pir Road, Sylhet dates back to 1973. Since then, the Academy has been regarded as one of the pioneers here in Sylhet in terms of fostering English Language skills among the prospective learners of all walks of life. It offers courses ranges from Basic English Language to IELTS preparation and the like to meet the growing needs.

Knowledge, education, competency are some of the key factors that you need to compete. Oddly enough, our needs are cheaply getting sold out to some marketing gimmicks in the name of teaching! You always wanted the short-cut to success & they just exploited that! But, how long! People, today, are indeed aware of the crisis that lies within our education system, yet not really comprehend what to do & where to retreat.

In this connection, English Language Academy has the innate intention to bridge the gap between your aspirations and the feel of real tutoring. We believe the style of teaching, caring & sharing thing and above all, the relentless pursuit to impart knowledge remain our core strengths and these would enable us to provide you with the kind of service that you have always dreamed of.

Vision:

To confer revolution in the way of learning so as to foster the evolution in U. Getting Taught through an engaging experience.

Mission Statement:

One simple principle: Work Hard & Work Smarter is in the core of our service that constantly drives us to look for inefficient procedures, finds ways to streamline them, and consistently strives to boost the productivity by imparting values of everyone around, and it's what we know we can do

Motto:

"Change to Become Good"

Snapshot:

*If you're looking for someone who can follow orders to the T and doesn't like to rock the boat, I'm probably not the right candidate. But if you need someone who can dig into root cause, see what's working and what's not, and challenge the status quo, **let's talk.***
